

# ICT ACCEPTABLE USE AGREEMENT FOR KS2 PUPIL

These are the rules I agree to follow when using the school laptops, Ipads or other digital technology:

- I will ask permission from a teacher before using them and will use only my own login and password;
- If I see anything I am unhappy with or receive messages I do not like, I will immediately close the page and tell a teacher or adult;
- I will not access other people's files or send pictures of anyone without their permission.
- I will not bring CD's or memory sticks in to school unless I have permission and they have been checked to ensure that they are virus free;
- I will only email people I know, or that my parent/teacher has approved and the messages I send will be polite/sensible. I will not give my personal details or arrange to meet anyone I have met online;
- Where work is protected by copyright, I will not download copies (including music and videos);
- I will not use my mobile phone in school for any reason. If I need to bring my phone to school with me because I am walking home after school, I will hand it in to keep safe during the day and I will collect it at the end of the school day;
- I understand that the school may check my computer files and may monitor the internet sites I visit;
- If I am involved in incidents of inappropriate behavior that involve members of the school community (eg cyber-bullying, using images/information without permission) the school will take action according to the Behaviour Policy;
- I understand that if I do not follow these rules I may not be allowed to use ICT equipment in school and my parents/carers may be contacted.

I have read and understood these rules and agree to follow them.
